

Information Technology Management at Xantrion

Diana Lara
Executive Assistant
Xantrion, Inc.
Oakland, CA

Abstract:

My talk will consist of three parts. First, I will explain Xantrion's Managed Service Provider (MSP) business model. Next, I will address how Xantrion addresses the important issue of Information Security and Compliance for our customers. This part of the talk will include the following topics from the perspective of a MSP:

- Device Proliferation and Security
- Data Privacy
- Risk Management

I will conclude the talk with a description of a typical day at Xantrion.

About the Speaker:

Diana Lara is the Executive Assistant and HR Coordinator at Xantrion. She holds a B.A from the University of California at Berkeley and has over six years of administrative experience.
